It's that time of year when TERF is getting ready to host one of its Annual Fundraisers. Steve's Challenge is being hosted by Steve Favour and Signature Taxidermy located in Flagstaff, Arizona. Steve is the brains and brawn behind this challenge due to the success from last year's challenge, which generated nearly \$5,000.00 for TERF. We are hopeful in surpassing that amount this year.

TERF assistance is vital to taxidermists nationwide and disaster knows no boundary. In 2007, TERF has been able to assist nine studios. With forecasters touting an active year weather wise is vitally important that we promote, contribute and distribute.

Listed below are the items which TERF will be presenting for auction and raffle. If you have any inquiries with regard to this fundraiser please direct them to Evelyn Mills, TERF coordinator for this event.
